

**MSc in Electrical Engineering – Control Systems**

**Ferdowsi University of Mashhad**

**- Overall GPA: 18.38/20 (Second in class)**

**- Final Project: A random fuzzy neural structure to control unknown structures**

**BSc in Electrical Engineering – Control Systems**

**Ferdowsi University of Mashhad**

**- Overall GPA: 18.82/20 (Second among all the electrical-engineering bachelor students entered Ferdowsi University of Mashhad in 2006)**

**- Final Project: Designing a control system for an intelligent house.**
